To whom it may concern;

I wish to thank you for allowing me to speak on behalf of *The Simon Sez Comedy Hypnosis Show...aka Jon Simon*.

Our organization has used Jon for over 7 years and appreciates the quality family oriented shows, prompt response to phone calls and or e-mail services when requested.

As the largest event held each March in Indian River County, the Firefighters' Fair receives comments about our entertainers, stage music, grounds attractions and strolling acts each season. We have never had a problem with Jon or his shows and as a matter of fact, we are asked to have him return each year because the fair goers who see the shows enjoy his routine and how he closes the acts with asking those participants who are still under hypnosis to... **"Never Drink and Drive, and Never Ride With Someone Who Does"**. This alone makes a great impression on us as firefighters' and him as an entertainer. He sets the example in leadership and friendship.

Should you have any additional questions or wish to speak in person feel free to call anytime.
